What's the Diff?

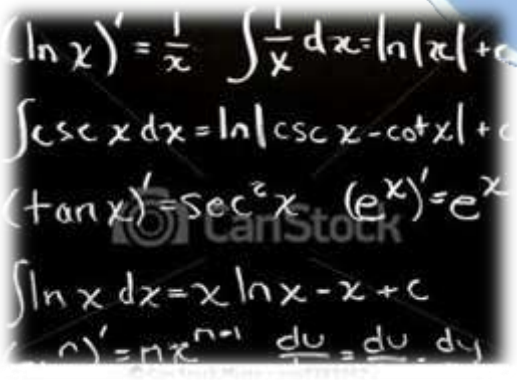
Montessori Math is Hands on!

The Road to Abstraction

There is a Process…

Then We Use Paper

First We Use Materials…



Our Own Road

- We Learn At Our Pace
- We're Not Rushed
- Understanding Can Come Slowly or Quickly

The Pace We Follow

Montessori Doesn't Rush Us Through Our Math

One on One

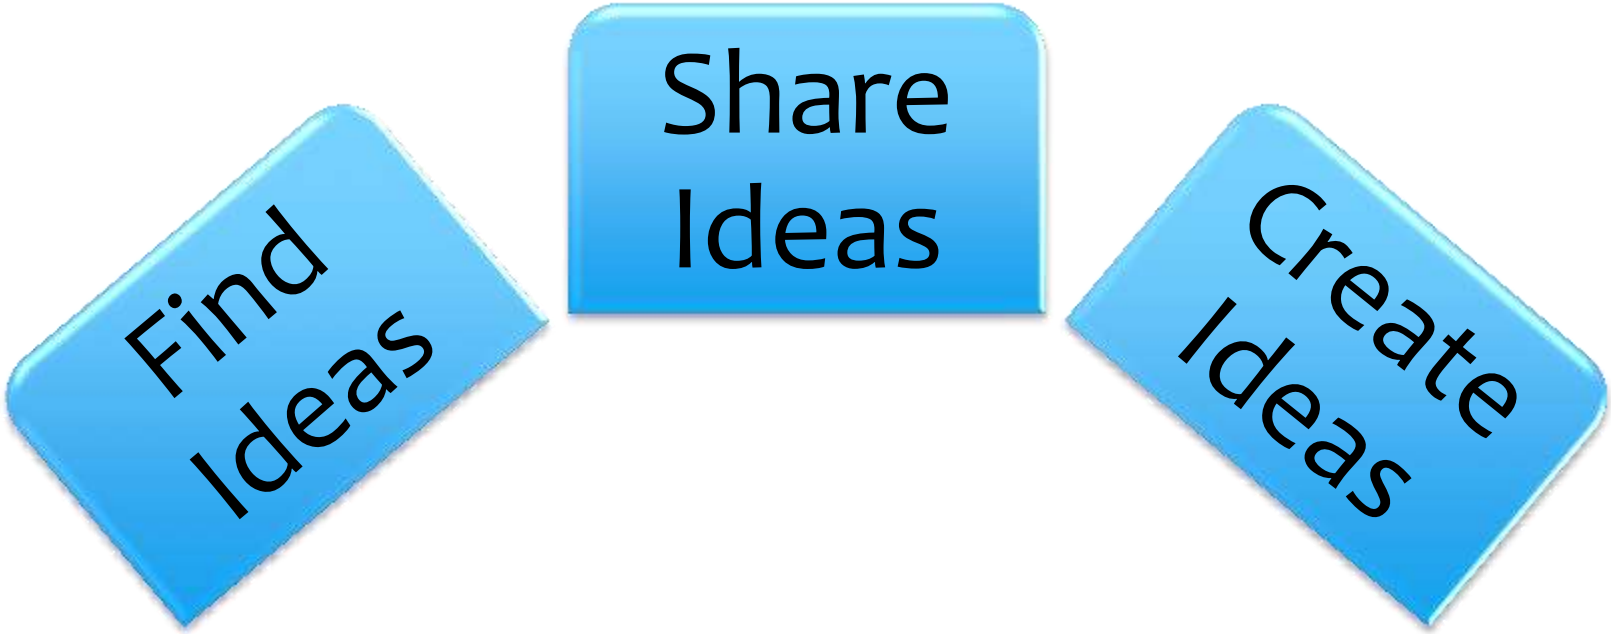
The Teacher Interacts With Us

We Interact With Her

Enjoy The Ride

You Can Enjoy the Amount of Time You Need

Speak Out!



Confusion Passes By

* Confusion = Okay

Lesson Time!

We Have Meetings

We Get Lessons

We Can Give Lessons (Math Day!)

Montessori Math Materials

* Montessori Math Materials Are Awesome!!

The End

We Learn…

We Share…

We Grow

A Few More Words on Math Day…

Rotations
