

El Salon Amarillo

How to provide the classroom with a gift from the Wish List:

1. Choose the item you would like to purchase from the list below.
2. Write a check for the total amount of the order.
3. Place check in an envelope made out to MCH/PA and send to office.
4. Your gift is tax-deductible; receipts can be issued for donated items.

- Grinding Activity.....\$ 28.00
This work is designed for our practical life section. Children will practice their food preparation skills and they will love the dramatic effects of grinding—they are always surprised with the strong scents released from petals, leaves, seeds, and spices.
- Economy Mirror Polishing Activity.....\$ 30.00
This work is designed for our practical life section. Children will enjoy practicing their care of the environment skills by carefully polishing a wood-handled mirror.
- Sewing Kit with Wooden Button.....\$ 33.00
This work is designed for our practical life section. Children will use this exercise to begin preparing for more complex sewing activities.
- Button Sewing Exercise.....\$ 33.00
This work is designed for our practical life section. Children will practice more complex sewing tasks: measure and cut, thread a sharp needle, tie knots, and sew buttons to fabric.
- Solid, Liquid, Gas Sorting Jars.....\$ 33.00
This work is designed for our cultural studies section. This key activity helps children recognize the characteristics of three forms of matter, then use their observations to identify other everyday objects.
- Miniature Music Boxes (Set of 8)..... \$ 59.00
This work is designed for our sensorial section. Children will see inside and watch music in the making. Holding the knob and turning the crank helps children develop the pincer grip and refine small motor movement.
- Pipedream..... \$ 83.00
This work is designed for our sensorial section. Precision-tuned to the pentatonic scale, this easy-to-play instrument is like a doodle pad for both hands—every note in the five-note pentatonic scale (D, E, G, A, B) forms a pleasant chord when struck simultaneously with every other note.
- Metal Inset Trays (set of 3).....\$ 95.00
This material is designed for our language section. Children will be able to carry their metal inset shapes, metal inset paper, pencil holder and pencils.
- Colorful Washable Baskets (set of 7).....\$ 50.00
These baskets are perfect for color-coordinating materials of all kinds.
- Earth tone Fiber Glass Trays (set of 12).....\$73.00
These trays can be used in any section of our classroom to display our beautiful works.

Thank you for your support!
