## How to provide the classroom with a gift from the Wish List:

1. Choose the item you would like to purchase from the list below.
2. Write a check for the total amount of the order.
3. Place check in an envelope made out to MCH/PA and send to office.
4. Your gift is tax-deductible; receipts can be issued for donated items.

- Smelling bottles and tray.....\$78.00  
Present up to six pairs of scents in easy-open, wide-mouth bottles. The amber glass bottles won't absorb scents; the ¾" openings make changing scents easy. The varnished hardwood trays (8" x 4" x 1") have edges that extend for carrying.
- Window washing activity.....\$26.00  
Young children need no incentive to clean windows or mirrors — clean windows or mirrors are their own reward! Our ready-to-use set provides all the tools required, as well as the opportunity to master new skills.
- North America Nomenclature Cards.....\$115.00  
These three-part photo card sets are color-coded to match the continent colors on the Montessori World Puzzle Map (Nienhuis). The continent color frames the image.
- South America Nomenclature Cards.....\$115.00  
These three-part photo card sets are color-coded to match the continent colors on the Montessori World Puzzle Map (Nienhuis). The continent color frames the image.
- Living/Non-Living Book .....\$21.00  
A perfect complement to Montessori classification work, each book in the set of three successfully isolates a single concept with clear, simple text and unambiguous photos.
- Solid: Size Color Shape Sort- SC881..... \$15.90
- This set reinforces the observation that solids come in different sizes, colors, and shapes, and introduces the idea that some characteristics are relative. It includes three activities for exploring solids.
- Float and sink activity.....\$50.00  
Complete with items that sink, items that float, and items that might do either. This activity is so fascinating it will be in constant use. Everything needed for exciting hands-on science ready for your shelf
- Graded bolt boards.....\$125.00  
Includes Hex, Slotted, and Graded Bolt Boards. Designed by a Montessori teacher to aid the development of eye-hand coordination and teach a practical skill. Separate compartments hold the driver and the bolts, after the child has removed them. The bolts screw into a long-lasting metal sleeve that prevents stripping.

- Montessori Phonetic Reading Blocks for the Beginning Reader .....\$28.00  
Strengthen and improve your child's self-confidence with reading. A total of 80 words to read over and over, including 5 vowels and 13 consonants. Gain experience with words that rhyme. All words are phonetic.
