# Lila Wish List

## How to provide the classroom with a gift from the Wish List:

- Choose the item you would like to purchase from the list below.
- Write a check for the total amount of the order.
- Place check in an envelope made out to MCH/PA and send to office.
- Your gift is tax-deductible; receipts can be issued for donated items.

- **Peacekeepers Series Set.** .....\$90.00

Set in a Montessori classroom, these peacemaking stories were written for beginning readers. Each story shows how the characters prevent or resolve a conflict. Act out the stories and discuss what it means to be a peacekeeper. Level I is mostly phonetic; difficulty increases in successive levels. Eight books per level. Paperback, 12 pages each.

- **First Facts Animal Classification Book Set**.....\$57.45

First Facts classification set explores in more depth than What Is? set (N6490K) the animal classes by learning about specific characteristics and traits unique to each major division. Full-color photographs, 32 pp, 8-1/8 x 9-1/2" for ages 3-1/2 and up. Soft cover set of six consists of the following books: Bird, Fish, Mammal, Reptile, Amphibian, and Insect.

- **Lacing Exercise** .....\$18.90

Introduce the running stitch to children with needle, satin cord, and pre-punched vinyl. Tie beads at end of cord instead of knotting. Developed by an experienced Montessori teacher this set is part of the [Sequential Sewing Activities Series \(V410\)](#). It is color-coded and includes presentation suggestions and extensions.

- **Four-Color Placemats & Beads Transfer Kit** .....\$43.45

Our transfer and placement kits are a fascinating way to fine-tune motor skills, concentration, hand/eye coordination and more. Items and colors may vary; quality and range remain constant

- **My First Fractions Puzzle** .....\$41.00

Perfect for introducing basic numeracy and fractions to your little one. Introduces counting and the concept of fractions using brightly colored wood puzzle pieces that include numbers and shapes. Match the colored shapes to the numbers and colors on the base board and count out how many pieces make a whole as you work out how the pieces fit together.

- **Magnetic/Non-Magnetic Kit**.....\$31.95

Children get to discover and classify magnetic and non-magnetic properties through our classroom ready set. Kit allows experimentation with the fascinating interactions between a magnet and compass.

- **Textures Feely Bag.....\$43.50**

Close your eyes, reach into the drawstring bag to explore, compare and match 10 pairs of 3" square materials and textures. Reinforce concepts of rough, smooth, thick, thin, etc.

- **Children of the World Floor Puzzle.....\$19.90**

A delightful way for children to discover the rich variety of cultures in the human family! The finished puzzle shows 12 charming children holding hands, each in the traditional dress of their country. Flags and country names are provided.

- **Animal Family Species Classify & Sort with Labels..... \$42.00**

Classify animals by family and then extend the lessons by classifying additional attributes such as by family and color.

- **Solar System: 3-D Solar System..... \$ 39.00**

Venture through the solar system with our high-quality planet set that provides a hands-on way for children to explore and learn the names of the 9 planets and their relative location within our Solar System.

- **North America Biome Cards.....\$62.00**

Three-part cards include: a description card for older readers, an illustrated picture card and a label. Each biome is explored with cards for these examples.

**Thank you for your support!**
